on behalf of our claim.
Enclosed is a list of states
presently represented on the
Olympic Committee and the
names of their delegates.

It is our intention to place
a statement of Ireland's case
before the Bodies these delegates
represent, as well as before the
supreme athletic authority in
those countries now excluded
from the Olympic Games.

In this purpose the aid
and prestige of Bail Eireann
will be invaluable, and we
respectfully invoke the co-
operation of that Body in the
achievement of our object.

Thanking you in anticipation of
a favourable reply

Yours to the point

A. C. Harty
