My dear Mr. Redmond

I have just received  
your letter & enclosures.

I cannot thank you suf-  
ficiently, and I like  
me do not need to be  
assured how highly I  
 treasure the memory

of the work which we  
have done together in  
the past, and how  
unshaken & unshakable  
is my confidence, not  
only in the justice, but  
in the certain success of  
the common cause.

Very truly yours  
W. H. A. Smith
